

## Homer Harbor Expansion Study Update Public Meeting Notice

Homer, AK

The U.S. Army Corps of Engineers (USACE) has completed the design alternatives milestone as part of the Homer Harbor Expansion study. Thirteen innovative design concepts were evaluated and narrowed down to five alternatives. These designs will move into the design alternative formulation and analysis phase. The public is invited to attend the public meeting for an update on the study and to share your ideas. Conversations will be facilitated by project staff from the City of Homer, USACE, and HDR Engineering.
